

Absorba

Airlaid technology for greater absorbency & strength

Absorba incorporates advanced ***Airlaid*** technology for a non-woven tissue that is highly absorbent and extremely effective in dealing with liquids like oil and grease. Soft to the touch, this heavyweight wiper is seriously strong when wet.

All Absorba wipers are fully maceratable and easily disposed of making this range the ideal choice for working environments where hygiene and performance are essential. Available in rolled and folded formats, it's flexible to your wiping requirements, helping improve efficiency and reduce costs.
